

Curt Schneider

Vice President

Mr. Schneider has over 17 years of Financial, Commercial and Industrial experience; providing clients with full service solutions has become the focus of Curt's daily activities. As a Licensed Real Estate Auctioneer, Curt has become a valuable member of the Chartwell Group in the Accelerated Marketing Division. Most recent projects have involved the court-appointment of receivership to preserve, maintain and ultimately sell a variety of the real estate assets.

Mr. Schneider earned his B.S. in Engineering from the University of Wisconsin and an Associates Degree in Mechanical Design. He understands a facility's requirements from design to daily operations and financial

efficiencies. He has received a number of awards and achievements in his career and most notably the 2008 Colorado Xcel Energy Efficiency Award for the largest energy reduction with an energy management system (EMS).

Success has come from entering projects with determination, documentation of details and persevering through each step in the process. Analyzing Real Estate from design, location, construction and current operating conditions, coupled with accelerated sales strategies, has proven to maximize market values.

Nationwide affiliations coupled with a results-oriented organization, provide clients a comprehensive range of services. Understanding the client's expectations and analyzing real estate assets on an individual basis is the foundation of every transaction. Mr. Schneider is accompanied by the leading professionals in the industry to ensure exceptional results in all facets and locations of real estate.
